ATKIN SCHOLARSHIP APPLICATION—2018

The Atkin Scholarship has been established to assist current and future JRCLS chapter leaders from chapters outside the United States travel to the annual JRCLS Leadership Conference, held in Provo, Utah. The 2018 Conference will be held October 4th and 5th.

The Atkin Scholarship will reimburse a portion of travel expenses, with preference for airfare from recipients' home countries to Utah. The amount awarded to each person selected will depend on the number of recipients and the projected cost of their travel. Preference will be given for those who have not attended the conference before, to those who have not received an Atkin Scholarship before, and to those whose travel has the greatest cost in relation to their income.

Instructions

Applications must be received no later than September 5th, 2018. We anticipate delivering decisions about September 10th, 2018.

Applications should be scanned and emailed to:

[Jim Moss:](mailto:jrm@paynefears.com)

If you are awarded a travel scholarship, you are responsible for making your own travel arrangements to attend the JRCLS Leadership Conference. To be reimbursed for your actual expenses—up to the amount of the scholarship—you must keep and submit copies of all receipts. Submit the receipts to Jim Moss or Terry Higham as soon as possible after completion of your travel. Reimbursements will be sent to you as a recipient approximately two weeks after the Conference. (If you want the Committee to approve variation of this reimbursement procedure, please explain your request on an additional sheet.)
